## **Holiday Budget Worksheet**

## Date:

The holiday season comes with several holiday expenses, all of which can put a big dent in your wallet. Track and manage all of your seasonal expenses with the help of this worksheet. Fill in what you'd like to spend and what you actually spend in each category. The goal is to stay as close to your budget as possible without breaking the bank.

## Gifts

Any gifts you buy during the holiday season, You can break them up into categories like children, friends, charity, etc.

Item / Category	Budget	Spent
Total		

Start budgeting for next year. Take the total you spent this year and divide it by 12 to determine what your monthly savings should be.

Food and drinks for parties, anything that goes beyond your typical grocery purchases.

 $R_{1}$
